Liberated from their Fetters

By the helpful, genial action of that most
beneficial of aperients, Hostetter's Stomach
Bitters, the bowels soon throw off the
burdens that paralyzed and weakened
them, and resume their normal freedom of
action. The action of the bitters, unlike
that of average purgatives, involves no
gripping or denching. If it did it would,
like them, be valuable for ordinary use.
There is nothing ungentle or unnatural at-
tending its operation. Upon the liver, no
less than the bowels, its action is most be-
neficial, promoting a healthy bilious secre-
tion, and directing out of the wrong into
the right channel. Conjointly with cost-
iveness, other bilious symptoms disap-
pear when it is systematically used, and
the stomach is strengthened as well as regu-
lated by it. Malarial complaints, rheu-
matism, debility, nervousness and kidney
troubles are completely relieved by it.
Sleep and appetite are promoted by it.

Renews Her Youth.

Mrs. Phoebe Chesley, Peterson,
Clay Co., Iowa, tells the following
remarkable story, the truth of which
is vouched for by the residents of the
town: "I am 73 years old, have
been troubled with kidney com-
plaint and lameness for many years;
could not dress myself without help.
I am free from all pain and
soreness, and am able to do all my
own housework. I owe my thanks
to Electric Bitters for having re-
newed my youth, and removed com-
pletely all disease and pain." Try a
bottle, 50c, and \$1 at Dr. H. W.
Cox's Drug Store.

Make No Mistake.

By dispelling the symptoms so
often mistaken for Consumption,
SANTA ABIE has brought gladness
to many a household. By its prompt
use for breaking up the cold that too
often develops into that fatal dis-
ease, thousands can be saved from an
untimely grave. You make no mis-
take by keeping a bottle of this place-
remedy in your house. CAL-
IFORNIA CAT-R-CURE is equally
effective in eradicating all traces of
Nasal Catarrh. Both of these won-
derful California remedies are sold
and warranted by D. W. Matthews &
Co., 106 State St., Salem. \$1.00 a
package, 3 for \$2.50.

Worth Knowing.

Mr. W. H. Morgan, merchant,
Lake City, was taken with a severe
Cold, attended with a distressing
Cough and running into Consump-
tion in its first stages. He tried
many so-called popular Cough re-
medies and steadily grew worse. Was
reduced in flesh, had difficulty in
breathing and was unable to sleep.
Finally tried Dr. King's New Dis-
covery for Consumption and found
immediate relief, and after using
about a half dozen bottles found
himself well and had no return of
the disease. No other remedy
can show so grand a record of cures,
as Dr. King's New Discovery for
Consumption Guaranteed to do just
what is claimed for it. Trial bottle
free at Dr. H. W. Cox's Drug Store.

"The Merry Maiden and the Tar."

She was merriest before she
"struck" the tar. Her spirits sank
as she beheld her new white gown
blackened by the tar. This tar
helped a wagon run instead of help-
ing run a ship. Just so a thousand
trivial accidents and neglected
"small things" take the merriment
out of the lives of young girls and
maiden. Particularly is this the
case with diseases peculiar to their
sex which take so much enjoyment
and happiness from life. However
a remedy is found in Dr. Pierce's
Favorite Prescription for all female
"weaknesses" or irregularities, nerv-
ousness, neuralgia, and uterine
troubles. Ask your druggist.
Dr. Pierce's Pellets, or Anti-bilious
Granules, have no equals. 25 cents
a vial; one a dose. Cure headache,
constipation and indigestion.Dr. Tanner, of fasting fame, has
established a founding hospital in
New Mexico. It is to be conducted
on vegetarian principles, and will
hold forty infants. The doctor ex-
pects to make good-tempered
children and long lived ones by
feeding them on a vegetable diet
and only once a day.

Smallpox Among Indians.

ALEXANDRIA, Oct. 9.—The state board
of health is sending out circulars to
towns and cities concerning the
spread of smallpox on the Allegheny
and Cattaraugus Indian
reservations. Precautionary mea-
sures are urged.

The Course to Follow.

SAN FRANCISCO, Oct. 9.—Collector
Hager has decided not to issue any
merchant certificates to Chinese.
This will cause every returning
merchant the trouble of going
through the habeas corpus mill.
Hager had about decided to issue
certificates, but he will not do so
now, nor will he permit any Chinese
to come here in transit if he can help
it, so he says.

A Purchase Urged.

ST. PAUL, Oct. 9.—A delegation
of representative men of Seattle,
Washington Territory, called upon
Henry Villard this morning. Presi-
dent Oakes and other Northern
Pacific officials were present. The
Northern Pacific extension or
purchase by that company of the
Columbia & Puget Sound Railway
which runs from Stuck Junction to
Seattle, was urged by the delegation.
Nothing definite was done in the
matter.

Interesting Railroad Rumors.

WHATCOM, Oct. 9.—Dan Harris
of Fairhaven, Barlett & Eldridge of
Bellingham, and the smaller land-
holders on Bellingham bay, offer
land to the equivalent of \$100,000 for
a railroad connection that shall ex-
tend across the mountains to the
eastward. It is rumored that ar-
rangements have been made with
the Manitoba railroad to connect
the Bellingham bay road with Hull's
line in the spring by building east-
ward. That is perhaps why Maj.
Rogers is scouting out the passes
through the Cascades. This has
been brought about by the refusal of
the Canadian Pacific to encourage
railroad connection at Fort Hope
with Cornwall's line.

The Whitechapel Murders.

NEW YORK, Oct. 9.—The Morning
Journal's special from London says:
An arrest, which the police think is
important in connection with the
series of White Chapel murders, has
been made.On Wednesday a stranger called
at a shop in Gray's Inn road with
an overcoat to be cleaned. The
garment was splattered with blood
stains, especially the pockets, which
were dyed red. The proprietors of
the shop thought the incident
suspicious and informed the police.
Detectives were secreted in the
premises. The suspect called for
the clothing last night and was at
once taken into custody. He re-
fused to give an account of himself
or explain the presence of the blood
stains on his clothing. He was held
prisoner and a searching investiga-
tion is being made.

No Bonanza In Alaska.

Late Alaskan advices from the Yukon
mines this fall are not encouraging. The
highest paid by any one claim in the Yukon
region was on Hamilton bar, where \$1200
were taken out by sluicing in three days
running, night and day shifts. Many
mines have made nothing. Wages are
\$5 to \$10 per day, flour \$17 per barrel and
beans and bacon 30 cents per pound. A
reported strike on Beaver creek 400 miles
down the river, drew many old hands
away from Forty Mile, and about seventy-
five newcomers, who, however, were dis-
appointed. Gold existed on the creek,
but not in paying quantities. Very few
men are mining on Stewart river, and
with poor results. About one hundred
men will winter on Forty Mile. Three
men died on the creek during last winter
of scurvy.

The Hotel Register Must Go.

The register at some of the fashionable
hotels will soon be among the unused if
not among the forgotten things. There
is a movement on foot to abolish it entire-
ly, and sooner or later, like a good many
other things, it will have to go. People
are busier now than they used to be, or
else they are lazier. Formerly hotel
guests registered their names and the places
from which they came with a good deal of
accuracy and attention. Now most of the
public men and generally all lady travelers
decline to allow their names to appear on
the book at all. They simply give their
names and places of residence to the clerk,
who notes the same and sticks the little
card containing the information in the
office rack. The real object of the outsider
way, and even in this respect has fallen
into disuse. The stranger comes in look-
ing for a friend and consults the book,
and nine times out of ten if he does not
find the name on the register he turns and
asks the clerk if the person he seeks is
stopping in the house. This is a fast age,
says the Graphic, and the register seems
to be the way now on the hotel desk.
